

## Mobile App Update

The CVCU Mobile App received an update on Aug. 8. This updates corrects known Touch ID and Bill Pay issues, and offers additional personalization and security options. Users who have already downloaded the CVCU app from the iTunes App Store and/or Google Play Store will see an update to the app available when visiting the App Store or Play Store, or the app will automatically update, depending on the user's device settings. Users can check to see if they have the latest version available by logging into the app and choosing the "About" tab. The version will be listed underneath "Coosa Valley Credit Union". Version 4.19.10 is the latest version.
