

Mobile App Update Coming Soon

In the coming weeks, the CVCU Mobile App will be receiving an update. Some of the new features will include:

- Touch ID login for Android Users (iPhone users already have this capability)
- Added Bill Pay Features including add/edit a Payee, Sort Payees, Bill Pay history and more
- Added transfer memo box to notate what the transfer is for
- Several look and feel configuration updates to enhance the user experience

Please check back here or watch for an update from the iTunes App Store or Google Play Store.

Should you have any questions regarding this update, please email onlinebanking@mycvcu.org.
